Signing this document confirms you understand and give your permission for the following:

- I understand by sending any imagery, video or other kind of contents to EquiPages automatically gives permission for the content to be used on our social media platforms and websites only. The audience to these platforms is not controlled and can be viewed by anyone.
- I must ensure the content I share with EquiPages is my own or with permission to share. It is not EquiPages responsibility to check this.
- My full name and/or Instagram handle will be shared as credit with any posted content.
- EquiPages chooses to share content based on its suitability, quality and relevance. There is no bias based on source. Therefore, points awarded for content use are fair on this basis.
- My contact number will be added to a WhatsApp group where others in the group may view your contact details. It's your responsibility to amend your privacy settings.
- Those under the age of 16 must have parent/guardian permission.
